Everyone hits the ball off the tee. Then choose the best shot and everyone hits from that spot Rinse and repeat until you get the ball in the hole! In addition to this – check out a few more rules below.

Rules:

1. Maximum handicap for each golfer is 24 men and 36 for women
2. Each team member must have at least two tee shots that are used.
3. Shots between the tee and green must be played within one club length of the position of the ball that is being used. Placing from one surface to another is not permitted i.e. from rough to fairway, bunker to fairway etc. When close to the green this club length cannot be used to place the ball on the green.
4. All putts must be taken from within 6 inches (15 cm) of the selected ball. This placement must not take the ball any closer to the hole.
5. Combined handicap is calculated as the total of the team's **course** handicaps, and then divided by 10 for 4 player teams, or 8 for 3 Person teams.
6. Net score to be calculated as the gross scoreless team's handicap.
7. Please put your team member's names and handicaps on your cards.
